

HOURS OF ATTENDANCE

The Governing Board recommends that students be taught a minimum of four (4) hours a day. Teachers/Parents may teach the minimum four (4) hours at anytime during a twenty-four (24) hour period, however it is strongly recommended that students be instructed between the normal school hours of 8:00 A.M.-3:00 P.M.

The board also recommends that students remain in the supervision and custodial care of the teacher/parent at all times during normal school hours and refrain their students from answering the phone.

The Governing Board strongly recommends parents/teachers to follow HSLDA's guidelines for dealing with any public or private government agency that contacts the home.
