

**MEDICATION**

It shall be the policy of Cornerstone Christian Academy that any pupil who is required to take, during the school day, medication prescribed for him/her by a physician, shall be administered by the parent. In the event that a parent is not able to administer the prescribed medication, the school administration may designate school personnel who may assist in administering medication to students during the course of a school approved activity provided that the following requirements are met:

1. The medication is accompanied by a written statement by a physician detailing the method, amount, and time scheduled by which such medication is to be taken.
2. The medication is accompanied by a written statement by the parent or guardian of the student indicating the desire that the school assist the student in the matter set forth in the physician's statement.
3. School personnel of CCA shall not administer unprescribed medicine, such as aspirin, salt tablets, over-the-counter cold remedies, etc. to any student. Such medicine must be given to the student by the parent, legal guardian, or custodian of child.
4. The label on a bottle of medicine prescribed by a physician and written by a pharmacist shall not be considered a written statement by a physician.

**Policy adopted:** October 14, 1999
