

SCHOOL PICTURES**ELEMENTARY AND SECONDARY**

It will be the responsibility of the school administration to consider proposals from photographers and to recommend to the School Board for approval for one firm or individual photographer to take student and/or family pictures. It will be the responsibility of the school administration to convey to the photographer the needs of the school regarding photographs for: ID cards, cum files, yearbooks, etc.

Contracts with individual photographers or firms may be entered into for not more than three year intervals.

Policy adopted: October 14, 1999
