

Cornerstone Christian Academy

Building Lives on the Lord Jesus Christ

22603 El Centro Rd, Apple Valley, California 92307

May 25, 2013

Dear Parents:

As usual, the school year has quickly come to an end. I'm amazed as to how gracious God has been with us and I'm excited when I think about what He will be doing with CCA. I want to take this opportunity to thank everyone for their support and hard work this year. It truly makes this school the success that it is.

The school board has faithfully met throughout this school year and we continue to pray for God's guidance and direction, as well as His blessing, strength, and protection for all our families. I want to especially thank them for their dedication and obedience in this ministry. I also want to thank Mr. Gonzales and Mrs. Person for filling two of the three open board member seats. If there is anyone who has a desire for Christian ministry, and you would like to serve as a school board member, please let us know.

Don't forget that the month of June is our early enrollment period, and the registration fee for **returning families is still only \$35.00. After June 30th the fee goes to \$85.00.** If you know of any family that wants to homeschool their children or if you know parents that are currently homeschooling, let them know about our school. Word of mouth is one of the most important ways that help our school grow. Please turn in your report cards, attendance sheets, and all financial obligations ASAP. We need to close our records by June 30, 2013. **Please note, when registering for next year you must turn in the Family Registration card and the registration fee. Also, you will not be able to register for the 2013-2014 school year until your current year's account has been brought up to date.**

We are excited to announce a new partnership with My SchoolWorx. My SchoolWorx is a web-based academic and reporting system to simplify administrative and teacher tasks, eliminate non-teaching activities, and provide real-time information to students, parent/teachers, and administrative staff. Please see CCA's website for more information or call the school.

At their last meeting, the Board has approved of an Administrative Technology fee:

- a) Fellowship Families: \$2.00 per student, per month for 10 months
- b) Existing Record Keeping families: \$1.00 per student per month for 10 months
- c) New Record Keeping families: \$2.00 per student per month for 10 months

The last thing I would like to mention is that I will be sending out our end-of-the-year survey via email. If you did not receive the email that has the link to the survey, please let me know and I will resend the email. This survey is important because we want to know your thoughts and it also helps us plan for next year.

Below, are just a few reminders and calendar events that you should be aware of. **Check the school's calendar at www.ccahighdesert.org for an up-to-date schedule of all upcoming events.** Please call us if you have any questions and/or concerns:

Summer events are open to all CCA families regardless of what program that you are participating in (Fellowship or Record Keeping). We wish you a blessed and restful summer and are looking forward to your return next school year. It has been a privilege and blessing to have been a service to you and your family's educational needs. Please feel free to call us during the summer months if you have questions, comments, or concerns. Again, let your family, friends, and neighbors know about our school.

I.H.S.

Roy Person, Principal
